

Fifth Annual New Brunswick Day Covered Bridge Market Opens 9am-4pm Monday, August 5, 2019

Welcome to the fifth annual New Brunswick Day Covered Bridge Market, which is held in conjunction with the Harland Potato Festival.

Payment: Deadline is June 7, 2019

Space is limited to 110 tables on the bridge but additional space is available in the parking lot for larger venues. The rental cost for each 2'x 6' table is \$50.00, prepaid plus a silent auction item that will be picked up at your table the day of the Market. The silent auction is from 11am-3pm throughout Market Day. This helps keep the costs of registration down, offsets costs of the day such as advertising, portable potties, sound system, entertainment, set up, rentals etc.!

Cash or cheque must make payment. E-transfers pending. Due to demand tables will be reserved on a first come and pay basis.

Vendor tables will be placed three feet apart from other vendors. This will allow room for shelves, racks, etc. behind the allotted space.

Set Up:

The following instructions are meant to expedite the process of getting vendors on the bridge in the morning and off the bridge at the end of the market day.

Vendors, in their respective vehicles, should form a line on the Somerville side of Covered Bridge Hill Road. This may begin after 6:30 am. Your order in this line-up will determine your placement and table number.

Volunteers, wearing brightly coloured shirts, will welcome you and ask you to verify your contact information. You will be assigned a number and given two paper copies of this number. One copy is to remain inside your vehicle, visible from the windshield. Vehicles (5 at a time) will be directed into the bridge. Volunteers will be available to help you quickly unload your vehicle. Once unloaded, return your vehicle (via the Hugh John Flemming Bridge) to the park on the Somerville side of the Covered Bridge. There a parking attendant will direct you to your parking space.

If desired, a volunteer with a golf cart will transport you back to your table on the bridge where you can continue setting up.

- **No exceptions. No walk ons. No entrance from the Hartland side.**
- Portable washrooms will be available for you on the bridge.
- If you want someone next to you in the bridge, you must arrive together.
